

Dana Hills Tennis Center League Participation Form

By signing this document, all league participants hereby acknowledge that they will be representing the Dana Hills Tennis Center for league play during the 2017-18 season and fully understand the conditions outlined below regarding league play:

- As a participant you are requesting to be a team member of a LEDL, Pacific Sun, Hill & Canyon, USTA or combination of those teams. Team members need to be aware that they have a team and financial obligation when they elect to be a representative on one of the above teams.
- **To be eligible for league play, all DHTC team members must pay monthly dues for the season, or to be rostered on the team during tryouts or summer practice sessions (July 1, 2017)** – the only exception is when a player is injured. Players with a legitimate medical excuse can leave the team prematurely (or be excluded from monthly dues) by submitting a physician's letter stating that you cannot partake in physical activity. **THE LETTER MUST BE RECEIVED BY DHTC** prior to or at the beginning of the month you are requesting a medical leave. Accidents occurring in the middle of the month are not applicable for refunds.
- Selection to teams will be done by the DHTC staff and/or league committee.
- Players can purchase monthly individual or family passes. South Coast Water District residents can receive a discount if they present their water bill (must include their customer number) at the time of purchase (to receive a discount we must have your id number on file and renewed each year). All passes must be kept current and paid by the first 10 days of each month (we do not bill, late dues - 15 days past due may incur a \$10.00 billing fee). All checks are to be made payable to SCWD. Players that are routinely late with payments can be removed from the team or be held out from league matches.
- Players must maintain their "good standing" status to participate in league play. All players must be current "pass holders" of the facility. A player is considered past due on the 14th of each month if they have not paid their monthly dues. A notice may be sent via email to past due player(s) and prior to playing any more league matches they must take care of their current balance. We appreciate everyone's help with this issue to avoid any potential problems.
- Each team must pay a league fee for LEDL, Pacific Sun & Hill & Canyon. Your team captain will notify you of the amount. These fees need to be given to your team captain by August 01, 2017 (Hill & Canyon and Pac Sun Teams).
- Once the teams are formed, each player is required to be a member/pass holder in good standing. Accepting a spot on the team implies that you understand this responsibility. Team participants are committing for the season. Since most rosters must be turned in at the beginning of the season (most do not allow changes to be made), any player who takes a spot and does not fulfill their obligation and drops off prior to the end or halfway point hurts the team. There are a limited number of positions available on each team. Players

wishing to give up their position on the team may do so only at the halfway point (December 15-25, 2017) when a new player may be added to the roster.

- **Anyone quitting their team (Pac Sun, USTA, LEDL or Hill & Canyon) prior to the conclusion of the first or second half of the season seriously impacts the team. Those players leaving the team can be removed from any other league teams as a penalty. All past due accounts must be current prior to participation on any future team(s).**
- All team players are representatives of DHTC and will conduct themselves in a cordial and courteous manner. Un-sportsman-like conduct and complaints registered from team members or opponents could result in a player suspension. All team members are expected to arrive early on match days; share equally by providing water and or food services (if required), set up tables, etc. when hosting; split driving time to away matches; reimburse team for group purchases, etc. Playing on a DHTC team is a privilege and can be suspended or revoked by DHTC management.
- These league rules (pertinent to DHTC) are subject to change by the DHTC Management or Director of Tennis at their discretion for the betterment of Dana Hills Tennis Center as a whole.

I have read the above and will honor the terms and conditions outlined within. I am committing to play for the entire season (PAC SUN/HILL & CANYON - July 1, 2017 – May 15, 2018, LEDL September 1, 2017 – MAY 30, 2018) and realize that I may quit the team between July 1 – August 1 or December 15 – 31, 2017 should circumstances force me to give my position away. USTA IS SEASONAL. Failure to do so can result in the suspension or removal of my name from the team. Should I leave the team any other time, I understand that I will be billed for the remaining months and continue to have access to the tennis facility but may be denied to participate on future teams because of such action.
